

**TENSION BANNER STAND**

**Impression**

– focusing on design and quick set-up

- No small components to break or misplace
- Easy banner handling - no grommets or pole pockets
- Fast, easy set-up and take-down
- Minimalist design focuses full attention on the graphic

There are two Impression models to choose from:

**Impression<sup>1</sup>**  
with mounting tape rails

**Impression<sup>1</sup>** uses the well-tested BannerUp aluminum top rails with extra strong top quality 3M mounting tape, as well as security push pins to hold the graphic securely in place. **1 pair of rails is included with each delivery of the Impression stand.** Extra rails kits can be purchased for your replacement banners.

- Slimmest design (front view)
- Ability to mount a spotlight
- Solid stainless base for maximum stability
