

Mark Bric® MultiMaster™

A Family of Dependable Displays

MULTI-PURPOSE DISPLAY STAND

One stand – Mastering Multiple Challenges!

- Features Snap-lock BannerRail™ to secure the graphics
- Works with virtually all banner materials
- No grommets or pole pockets required
- Single and double sided functionality
- Telescopic pole for maximum flexibility
- One case holds everything - including the banner!
- Banners up to 10 ft. tall x 46 in. wide

Multiple solutions.....side by side.....single sided.....double sided!

The stand comes conveniently packed in a carrying bag with space for the graphic banner as well. The bag gives shock proof-protection with an inner cardboard tube and the stand is packed in an inner nylon cover as well, not to come in direct contact with the graphic panel.

The Multi-connectors on the basic stands hold graphic banners, frames and plain boards.

Choose between two colors of the stand: Anodized silver gray color or a scratch-resistant matte black finish.

Multipurpose functionality

The basic MultiMaster pole set can be used to display foam boards and other flat panel materials as well as Flexiframe poster frames.
